Nancy has been designing and creating wind chimes in her own studio for many years. She hand cuts each piece and assembles them herself. She also hand paints on selected designs.

She showcases her works here online and at various art shows throughout the region.

Her unique one-of-a-kind wind chimes are a great enhancement to any home, garden or patio.

The wind chimes make a beautiful soft tingling sound.

An excellent gift for your family and friends!

(note: Nancy sells and ships her products to USA ONLY. NO foreign sales please.)
